Concepts NREC Appoints New Sales Manager for Europe

White River Junction, VT, USA – February 15, 2019 — **Concepts NREC**, the world's leading turbomachinery software, design, development, testing and manufacturing company is pleased to announce that Rifat Memis has been appointed as the new European Sales Manager. Rifat will be in charge of all sales initiatives, supporting existing customers, and identifying new market opportunities in Europe.

Prior to joining Concepts NREC, Rifat held several positions of increasing responsibility in sales and support at Anova Engineering. Most recently, he was their Key Account Manager, working with large industrial customers in Turkey.

"I am confident that Rifat will excel in his new role. He brings a level of knowledge and enthusiasm that will better serve our customers in the region", says Christoph Weimer, CFO of Concepts NREC.

About Concepts NREC

For over 60 years, **Concepts NREC** has been a strategic partner to many of the world's leading turbomachinery companies. We are the only company in the world that offers a complete in-house "Art-to-Part" solution, from initial concept through design, software, manufacturing, testing and installation. We push past what has been done to explore what can be done. Contact info@concepts-nrec.com to discuss what we can do for you.
