

**WE DO TURBOMACHINERY. ALL THINGS TURBOMACHINERY.**  
 Compressors, Fans, Blowers, Turbines, Pumps  
 From Components to Complete Products

**Figure out what you need**

**ENGINEERING**  
 Our engineers can design turbomachinery for you:

- Aero/Hydro/Mechanical
- Conceptual to Detailed
- Performance Testing

**Provide you with the tools**

**SOFTWARE**  
 We can supply software so you can design/manufacture your own turbomachinery:

- CAE
- CAM

**Make it for you**

**MANUFACTURING**  
 Our shop can manufacture turbomachinery for you:

- Components
- Complete Prototypes
- Low Volume Production

**Teach you how to do it**

**EDUCATION**  
 We can teach you how to design turbomachinery:

- Textbooks
- Courses
- CAE and CAM Workshops
